

FLEXIRENT®

“The best way to pay for
TECHNOLOGY”

About us

Established in 1997, FlexiGroup (New Zealand) Limited is a leading provider of ‘business finance solutions’ ideal for acquiring the latest technology.

Flexirent Finance Solutions are available from leading technology resellers throughout New Zealand.

Flexirent Finance Solutions

- With Flexirent acquiring new technology couldn't be easier!
- A fixed monthly payment to make budgeting easy
- Improve cash flow and increase your purchasing power
- Put your valuable working capital to more effective use elsewhere in your business
- You can bundle software, accessories, training, support and installation into your finance agreement

OPERATING LEASE

- ✓ Ideal for rapidly depreciating technology and equipment
- ✓ Payments are an operating expense and are typically 100% tax deductible*
- ✓ Upgrade any time during or at the end of your Lease Agreement^
- ✓ Flexible end of the term options allow you to extend your Lease Agreement for as long as you need it

LEASE-TO-OWN

- ✓ For assets, software and services** that have a long usable life and retain their value
- ✓ Asset & liability - interest and depreciation can be claimed as a tax deduction*
- ✓ Ownership transfers to you after the last payment is made

Flexible payment options

Finance on an individual agreement basis with monthly payments, or apply for a FlexiLine credit facility to manage ongoing technology acquisition.

FlexiLine

- Choose FlexiLine when ongoing technology requirements exceed \$10,000 per annum
- FlexiLine gives you a choice of both finance types – Operating Lease or Lease-To-Own
- Make fast and convenient ‘drawdowns’ as low as \$1,000 (inc GST) against your facility
- Choose from monthly or quarterly payment options
